Kibaima Apartments Furnishing Catalog

Executive Summary - Apartments Furnishing Catalog

This catalog represents a curated selection of furnishings and accessories designed to create balanced, comfortable, and welcoming living spaces. Each item has been carefully considered for its quality, functionality, and lasting appeal, ensuring both aesthetic harmony and practical value across all the apartments.

For the outdoor areas, materials were selected for their resistance to weather and ease of maintenance, providing durability and consistency throughout the year. Bedroom furnishings emphasize light, neutral tones that promote a calm and refined atmosphere, while the kitchen collection offers a complete and convenient range of essentials to make residents and guests feel at home from the start.

Overall, this catalog reflects our attention to detail, commitment to quality, and focus on delivering efficient, cost-effective solutions that enhance the living experience in every apartment.

Bathroom

Cleanliness & Fresh

Bathroom

The bathroom has been carefully designed to provide a sense of calm, cleanliness, and understated luxury. The soft white towels and matching bath mats create a bright, fresh look that complements the neutral tones of the interior, while ensuring that housekeeping remains effortless and efficient.

For sustainability and practicality, it has been equipped with elegant, refillable dispensers for shampoo, conditioner, and shower gel. These high-quality containers not only reduce plastic waste but also allow for easy bulk refills, helping to maintain both consistency and cost-efficiency over time.

Attention has been paid to every detail. Each vanity area features a minimalistic clear acrylic brush holder placed on a stone tray, allowing for easy cleaning while adding a refined accent to the countertop. Subtle black accessories — including matte-black wall hooks and matching waste bins — bring a touch of contrast and cohesion with the overall modern aesthetic of the apartments.

The bathroom includes two premium white bathrobes in different sizes, providing a spa-like comfort for guests. A powerful Revlon hair dryer is neatly stored for convenience, while a laundry basket ensures that used linens and clothing can be kept organized and out of sight. In the shower area, two sturdy wall-mounted shelves offer ample space for toiletries, and an adjustable shaving mirror completes the thoughtful arrangement.

The result is a bathroom experience that feels both luxurious and functional — a perfect blend of style, comfort, and everyday convenience, designed to meet the expectations of long-term residents as well as short-stay guests.

Bedroom

Comfort & Practicality

Bedroom

The bedroom has been designed to evoke a sense of calm sophistication — bright, inviting, and perfectly balanced between comfort and practicality. It has been furnished with two high-quality 90 x 200 cm box-spring beds that can be effortlessly joined together to form a spacious king-size setup (180 x 200 cm). For couples, a plush topper is provided, ensuring a seamless sleeping surface and a luxurious hotel-style experience.

Every bed comes complete with a modern upholstered headboard, a breathable mattress protector, and crisp white linen sets suitable for either single or double occupancy. Two full bedding sets are available, allowing for quick linen changes and ensuring impeccable cleanliness and efficiency for housekeeping.

The carefully chosen color palette and soft textures of the bedding complement the apartment's neutral, contemporary interior design. Natural light flows through each space, creating an atmosphere that feels restful and airy — ideal for both long-term residents and short-stay guests.

For added comfort and convenience, the bedroom features a flat-screen TV and a quiet, energy-efficient extra air conditioner, allowing guests to unwind and adjust their environment to their preference. Thoughtfully positioned power outlets, soft bedside lighting, and ample storage space complete the setting, offering everything needed for a truly relaxing stay.

The result is a harmonious combination of modern design and homelike warmth in bedrooms that feel as functional as they are elegant, inviting guests to rest, recharge, and wake up refreshed in the heart of Aruba.

General Supplies

Housekeeping Essentials

General Supplies and Housekeeping Essentials

Each apartment is thoughtfully equipped with a complete set of essential household and safety items, ensuring both comfort and practicality for everyday living. The goal is to provide guests and residents with everything they might need for a seamless, self-sufficient stay — down to the smallest detail.

Every unit includes a full range of cleaning tools, such as a sturdy broom, dustpan, mop, and bucket, allowing for easy upkeep and maintenance. To protect the interiors and maintain a peaceful atmosphere, door stops are provided throughout the residence to prevent doors from slamming or causing unnecessary noise.

In addition, each apartment features a curated selection of practical accessories and safety provisions: quality umbrellas for rainy days, a compact yet complete home-repair toolkit for minor fixes, a fire extinguisher for added security, and discreet "no smoking" signs that reinforce the property's smoke-free policy.

To further enhance comfort and organization, a modern safe is installed for valuables, an umbrella stand is positioned conveniently near the entrance, and aluminum foil is stocked for kitchen use. Completing the thoughtful list of details, a digital body-weight scale has been included — a small but appreciated amenity for long-term residents.

These touches, though subtle, reflect the project's overall philosophy: combining elegance with functionality to create living spaces that feel both refined and effortlessly livable.

Laundry Zone

Compact & Efficient

Laundry Zone

Each apartment has been equipped with a dedicated laundry area designed for both practicality and comfort, allowing residents to manage all daily washing needs with ease. The space is compact yet efficient, thoughtfully arranged to complement the overall functionality of the home.

Every unit includes a modern 5 kg washing machine and a matching tumble dryer, both chosen for their energy efficiency and quiet operation. This combination ensures that laundry can be done conveniently at any time of day without disturbance.

To complete the setup, each laundry zone also comes with an iron, an ironing board, and a foldable drying rack — ideal for delicate garments or items best left to air dry. A full set of clothespins is provided for outdoor drying or use on the balcony, blending practicality with the relaxed island lifestyle.

The inclusion of a laundry basket and organized storage space keeps the area neat and accessible, making household chores effortless and discreet. Whether for long-term residents or short-term guests, the laundry zone offers the independence and comfort of a fully equipped home, reflecting the same level of care and attention found throughout every part of the property.

A photograph of a modern kitchen and dining area. The space features a large window on the left, a dark-colored sofa with a coffee table in front of it, and a dining table with chairs. The overall aesthetic is contemporary and minimalist.

Kitchen & Dining Area

Contemporary Style

Kitchen & Dining Area

The kitchen and dining area form the heart of each apartment — a bright, inviting space that blends functionality with contemporary style. Designed for both short- and long-term stays, this open-concept zone allows guests to enjoy the comfort and independence of a true home environment while maintaining the elegance of a modern residence.

Each kitchen is fully equipped with a wide selection of high-quality appliances and utensils, ensuring that every meal —from a quick breakfast to an elaborate dinner can be prepared with ease. A sleek Nespresso coffee machine invites guests to start their mornings with a perfect espresso, while the air fryer and rice maker add versatility and convenience for healthy home cooking. An electric orange juicer is included to enjoy fresh citrus juice daily, and additional appliances such as a microwave, toaster, and electric kettle make the kitchen suitable for any culinary need.

Ample cabinet storage keeps the area tidy and well organized, while the solid countertop and integrated sink provide generous workspace for meal preparation. Each kitchen also includes a refrigerator with freezer, stainless-steel cookware, cutlery, plates, glasses, and all other essential tableware items to ensure a complete dining experience.

Adjacent to the kitchen, a contemporary dining table with 2 comfortable chairs creates a welcoming space for shared meals, work, or casual gatherings. The neutral tones and clean lines of the furniture complement the overall interior design, giving the area a sense of openness and modern elegance.

Soft, ambient lighting enhances the warm atmosphere in the evenings, while natural daylight highlights the refined finishes during the day. The result is a kitchen and dining area that feels both practical and inspiring — a place where guests can cook, connect, and truly feel at home during their stay.

A photograph of a modern living room interior. The room features a large, dark-colored sofa with light-colored cushions, a low coffee table, and a flat-screen TV mounted on the wall. Large windows on the left side of the room provide a view of the outdoors. The overall aesthetic is contemporary and minimalist.

Living Room

Comfort & Contemporary Style

Living Room

The living room serves as the central gathering space of each apartment — a bright, welcoming area designed for both relaxation and social connection.

With its open layout and soft, neutral color palette, the room offers a harmonious balance between comfort and contemporary style, making it the perfect spot to unwind after a long day or to share memorable moments with friends and family.

A modern sofa bed anchors the space, providing flexibility for various living arrangements. It easily converts into a comfortable sleeping area for additional guests, ensuring that the apartment can accommodate visitors without compromising comfort or aesthetics. This thoughtful inclusion makes the living room ideal for extended stays or visiting family and friends.

The furniture and decor have been carefully curated to create a warm yet refined atmosphere. A low coffee table, soft area rug, and subtle wall art add visual depth and texture, while practical touches — such as well-placed power outlets and side lighting — enhance everyday usability. Large windows allow natural light to fill the room during the day, while discreet, energy-efficient lighting creates a cozy ambiance in the evening.

To complete the experience, the living area includes a flat-screen TV with access to international channels and streaming options, allowing guests to relax with their favorite shows or movies.

The air-conditioning unit ensures a consistently pleasant temperature, while the open connection to the kitchen and dining area enhances the overall sense of space and flow.

Altogether, the living room embodies the apartment overall philosophy: a modern, functional, and beautifully designed space that feels both sophisticated and comfortably at home — perfect for quiet evenings, casual gatherings, or simply enjoying the relaxed island lifestyle.

Balcony-Patio

The private balcony or patio is a thoughtfully designed outdoor extension of the apartment, offering a serene and inviting space where indoor comfort meets the natural rhythm of island living. Framed by tropical surroundings and softened by Aruba's warm light and gentle trade winds, this outdoor area provides a calm retreat for moments of rest, reflection, and everyday enjoyment.

Tastefully furnished with comfortable seating and a functional outdoor table, the balcony-patio creates a welcoming setting for a variety of uses — from slow, quiet mornings with a cup of coffee to relaxed afternoons spent reading, working remotely, or simply enjoying the open air. As the day transitions into evening, the space becomes ideal for dining al fresco, sharing a drink, or unwinding after a day at the beach.

Designed with both comfort and practicality in mind, the area allows guests to enjoy privacy while still feeling connected to the outdoors. Subtle lighting enhances the atmosphere after sunset, creating a warm and intimate ambiance without overpowering the surrounding tranquility. Every element has been selected to complement the apartment's interior design, ensuring a seamless flow between indoor and outdoor living.

Whether used as a peaceful personal retreat or a cozy social space, the balcony/patio invites guests to slow down and embrace the relaxed pace of island life. It is a place to feel the breeze, listen to the quiet sounds of the evening, and enjoy Aruba's climate year-round — transforming simple moments into memorable experiences and making the outdoor space an essential part of the home.

Amenities Starter Kit

Sustainability & Environmentally

Amenities Starter Kit

To make every guest's arrival effortless and welcoming, each apartment comes with a thoughtfully prepared Amenities Starter Kit, providing all the essentials needed for a comfortable start to their stay.

This carefully curated selection balances convenience, quality, and sustainability ensuring that guests feel immediately at home while maintaining an environmentally conscious approach.

The starter kit includes refillable dispensers with shampoo, conditioner, and shower gel, all supplied in bulk to allow for easy monthly refills.

This system minimizes plastic waste while ensuring that fresh, high-quality toiletries are always available. The elegant dispensers complement the bathroom décor, reinforcing the project's commitment to both design and eco-friendly living.

In addition to bathroom essentials, guests will find a welcome selection of kitchen amenities designed to make their first days seamless and enjoyable.

Each unit is stocked with assorted sugars, powdered creamer, sweeteners, and a set of Nespresso coffee pods, allowing residents to enjoy their first morning coffee without delay.

Every detail of the starter kit reflects a dedication to comfort and thoughtful hospitality — the perfect finishing touch for a smooth, worry-free transition into island living.
